# GLOBAL ENGAGEMENT

Since the very establishment, the global outlook has been in our genes. In 2013, SUFE officially adopted “Global SUFE” as a pillar of its strategy to achieve international recognition. Ever since then, we have been taking a full spectrum of initiatives to build mutually beneficial partnerships that deliver international impact. Up till now, we boast an ever-enriching network of over 190 partners spanning 42 countries

and regions, including many world-class universities and institutions. The collaborative opportunities we offer cover student exchange, faculty exchange, immersion programs, joint degree programs, and joint research. Through extensive collaboration and dynamic exchanges, we extend expertise to address global challenges and prepare our students for future success.

## PARTNERSHIPS AND AGREEMENTS
